Henry's Canada Premier Camera Store Looks to the Future

Henry's, a Canadian leader in digital imaging since 1909, remains a cornerstone for photographers, filmmakers, and content creators. With 20 locations nationwide and a thriving online platform offering over 15,000 imaging products, the retailer has built a legacy of innovation and excellence.

In June 2023, Henry's entered an exciting new chapter with its acquisition by Lynx Equity Limited, a Toronto-based private equity firm. This partnership aims to propel the company's growth while preserving its rich heritage under the continued leadership of CEO Gillian Stein. Lynx's investment positions Henry's to enhance its customer experience and expand its offerings.

A key aspect of Henry's recent success is its embrace of technology. The implementation of an advanced ERP, POS, and e-commerce system has streamlined operations and elevated customer service. Additionally, Henry's debuted a small-format store in Hamilton's Lime Ridge Mall, achieving significant revenue growth and providing a model for expansion into regional markets.

The company's achievements have not gone unnoticed. In May 2023, Henry's earned Gold Standard status in Canada's Best Managed Companies program, recognizing its innovative approach, sustained growth, and industry leadership.

As Henry's celebrates over a century of service, its partnership with Lynx Equity Limited signals a bright future. Committed to innovation, excellence, and the creative community, Henry's continues to set the standard as Canada's greatest camera store.

Pita Pit's Rise in Canada: A Success Story of Fresh and Healthy Eating

Pita Pit, the Canadian quick-service restaurant franchise specializing in Lebanese-style pita sandwiches, has experienced significant growth across Canada since its inception. Founded on July 20, 1995, by John Sotiriadis and Nelson Lang in Kingston, Ontario, the brand quickly became popular for offering a fresh and healthy alternative to traditional fast food.

By 1997, Pita Pit began expanding within Canada, and by 1999, it had entered the United States market. As of January 19, 2024, there are 229 Pita Pit locations across Canada, with Ontario hosting the majority at 138 locations, accounting for approximately 60% of the national total. Other provinces with notable numbers include British Columbia with 24 locations and New Brunswick with 16.

In August 2021, Pita Pit's Canadian operations were acquired by Foodtastic, a Quebec-based restaurant franchiser, marking a new chapter in the brand's development.

Pita Pit's commitment to innovation is evident in its menu offerings. In November 2016, the company launched a Chicken Shawarma pita nationwide, catering to diverse customer preferences and adhering to Halal standards.

With over 450 stores worldwide, Pita Pit continues to uphold its "fresh thinking, healthy eating" motto, appealing to health-conscious consumers seeking alternatives to conventional fast food.
